The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

**APPLICANT:** Dr. J. B. Ellis  
P. O. Box 597  
Edisto Island, SC 29438

**LOCATION:** On and adjacent to Store Creek at Lot 18, 1554 Creekwood Road, Edisto Island, Charleston County, South Carolina. TMS#: 073-00-00-018.

**WORK:** The work as proposed and shown on the attached plans consists of constructing a dock. Specifically, the structure will have a 4' by 98' walkway leading to a 14' by 14' covered fixed pierhead, both with handrails. Ebbside of the pierhead, a ramp will lead to a 10' by 20' floating dock. The applicant also proposes to install a 12' by 12', four-pile boatlift landward of the proposed floating dock. The purpose of the activity is for the applicant's private recreational use.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

*To assure review by OCRM, comments regarding this application must be received by OCRM on or before February 16, 2008. For further information please contact the project manager for this activity, Fred Mallett at 843-953-0236.*
